Dear Chairman Grubbe,

We are following up on our letter of May 8, 2014 wherein we enclosed a seven-page information sheet outlining the potential for the renovation and restoration of the architecturally-significant Spa Bath House and Hotel complex designed by architect William F. Cody and the firm of Wexler & Harrison.

As this is a subject our membership (and the community) is intensely interested in, we ask to meet with you to discuss this matter in more detail. Please do not hesitate to contact us at (760) 837-7117 or via email at [info@pspreservationfoundation.org](mailto:info@pspreservationfoundation.org).

Kind regards,

Erik Rosenow  
President
