Berkeley, CA 94704

Subject: Third Patrick McGrew Memorial Research Grant

Dear Luke,

On April 4, 2022 the Palm Springs Preservation Foundation (PSPF) board of directors voted unanimously to support your research efforts regarding architect Albert Frey. As discussed, the intent of the grant is to allow you to research and investigate archival materials at various repositories (including those found at museums, universities, historical societies, private collections, etc.) to expand the current knowledge and understanding of one of our valley's most important modernist architects. We especially encourage you to evaluate newly available archival material, with a view towards validating, modifying, or rebutting the existing scholarly narratives concerning Frey. We also ask that you include in the scope of your research and investigation visits to Frey sites, interviews of Frey friends and clients, etc. You are strongly encouraged to seek out Frey scholars who can provide you with suggestions regarding research leads and priorities. We ask that this work be undertaken from June 8-August 15, 2022.

Additional conditions of this grant include:

1. That PSPF be provided, as a deliverable, an electronic or hard copy of the final research product; and,
2. That PSPF be granted full rights to publish any or all of the final research product in any format (electronic or hard copy) or any time we may deem appropriate; and,
3. That PSPF is authorized to make an announcement regarding this grant to publicize our grant program.

With pre-approval, you will also be compensated for costs involved with visiting institutions and archives, costs for accessing and scanning archival materials, and costs for image use.

Accordingly, we are forwarding a grant check in the amount of \$5,000.00 (with an additional payment of \$5,000.00 from PSPF upon our acceptance of the deliverable). We will consider your redemption of the first check as acceptance of the conditions and parameters contained herein.

The PSPF point of contact is Ron Marshall at info@pspreservationfoundation.org.

Kind regards,

Gary Johns
President
